Paint by Numbers

Paint by Numbers is a guided, hands-on painting activity for groups. We bring everything so you don't have to worry about anything, including the labour.

What's Included

Each person receives a package containing:

- A reference picture of their chosen design, marked with numbers and colours, showing roughly how the finished painting will look
- An 8x10 canvas with the image printed on it
- 8 colours of paint in small packets (we bring extra in case anyone runs out)
- 4 brushes

We also provide:

- Coverings for the tables
- Water cups and cloths to wash out and dry brushes
- Fans to dry the finished paintings

What We Need From You

All we need is access to water for the cups and brush rinsing.

Who It's For

This activity is for all ages. Younger children, or their parents, may not enjoy the painting process, so we also bring colouring pages of the same prints being painted, along with pencil crayons and crayons, so every child can stay involved.

How Long It Takes

This project lasts about 1.5 to 2 hours. If anyone doesn't finish, we send them home with small paint packs and 2 brushes so they can complete their painting later.

Pricing

Art director (labour) fee: a flat $50 plus tax.

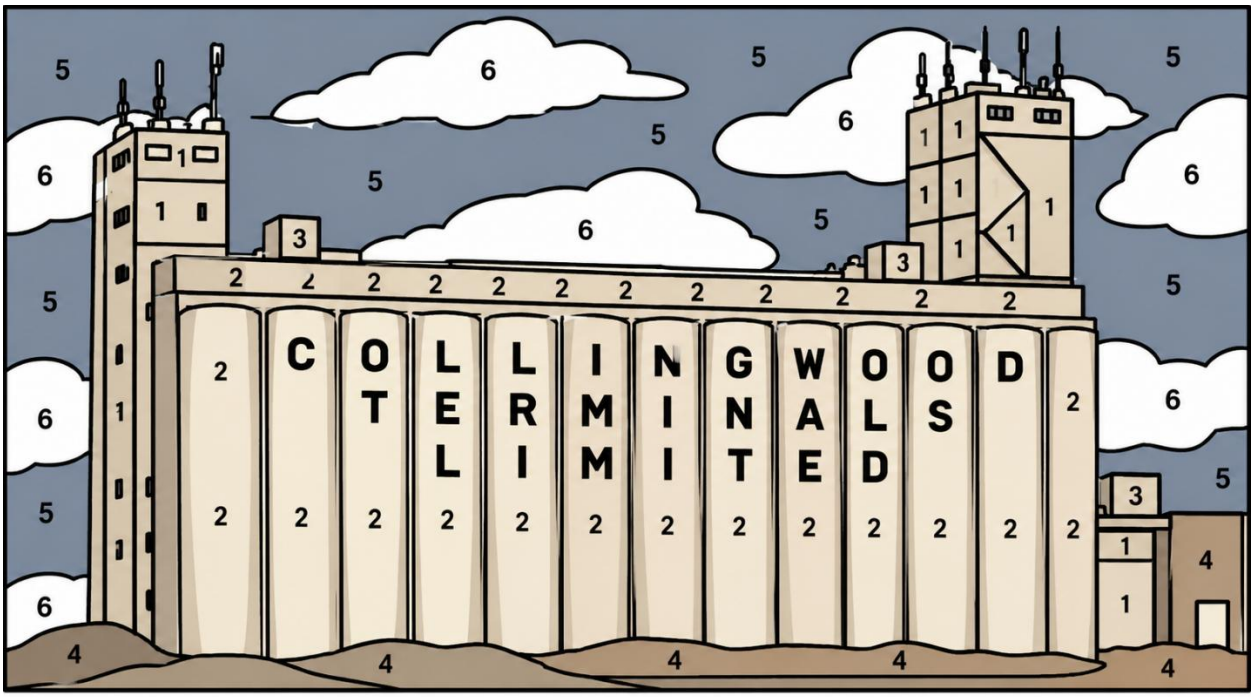

Per-artist rate, plus tax:

- 1 to 10 artists: $20 each
- 11 to 20 artists: $17.50 each
- 21 or more artists: $15 each

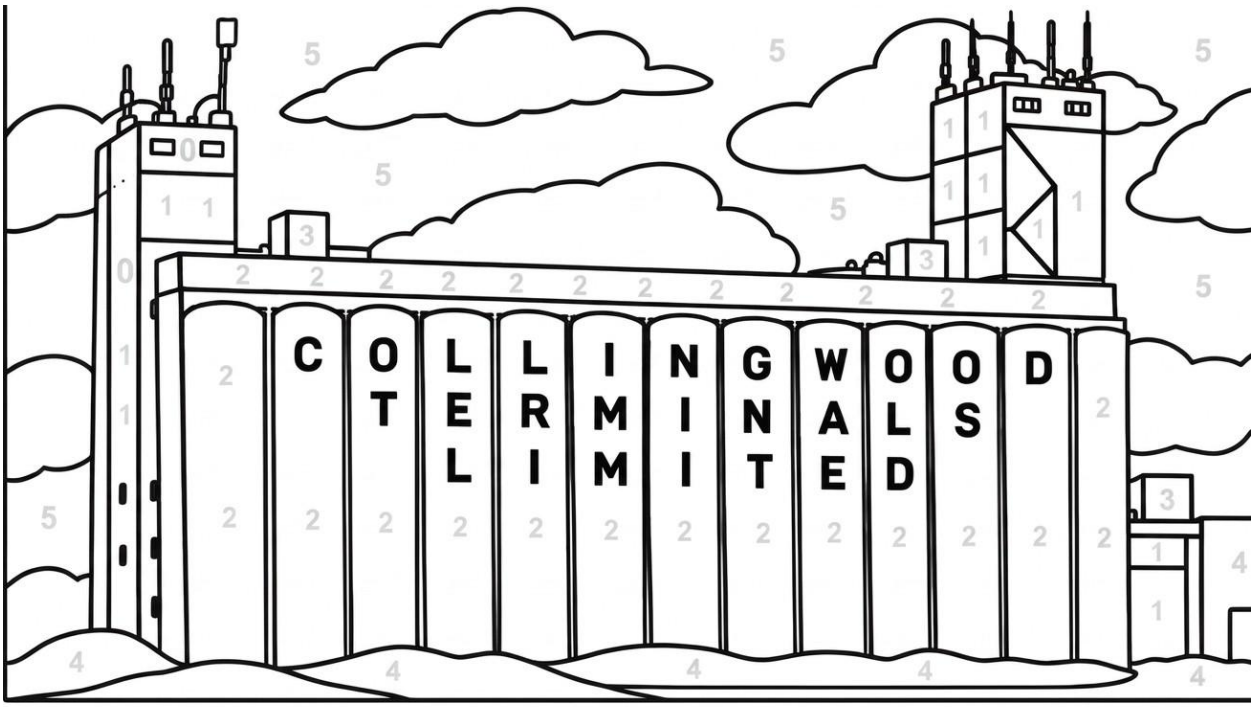

For example, a group of 12 artists would be $50 + (12 × $17.50) = $260, plus tax.

Optional rentals, plus tax: tables are $10 each and chairs are $3 each.

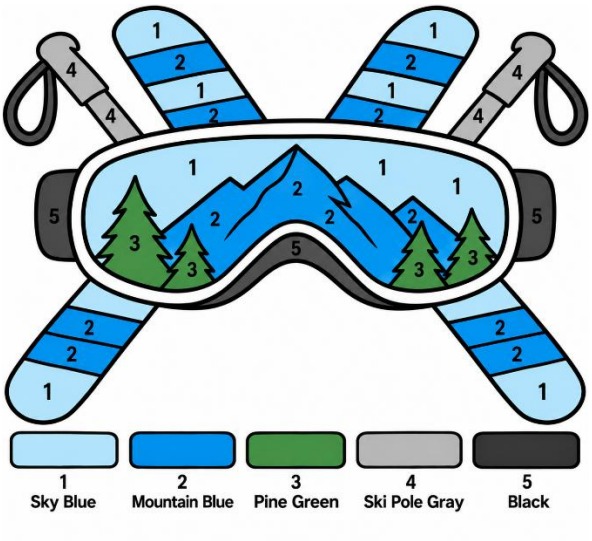

The attached pictures are ski themed for the time of year and area we are in. But if you have a special theme in mind, let us know and lets see if we can't get that down on some canvas for you.
